## The Power Joy and Purpose

Everyone deserves to feel joy and purpose each and every day. Every human seeks to find a deeper meaning in what they do, how they live, why are they here? Yet many are still searching. There is no perfect time to find answers to our deepest questions. The answers are often right before you, already deep within you waiting to be exposed. The question is, are you ready to begin your journey to who you really were meant to be?

People will say we should feel content and blessed with what we have versus what we do not have. Yet, many will look externally to gauge how they are doing. How do I look in the mirror? Is my home spacious and inviting? Do I drive a luxury car or have I taken an exotic trip? But do you truly wake up embracing each day with joy? If you do, from what do you source your joy from? With 20 extra pounds on your hips and expression lines on your face, are you capable to look in the mirror and see the beauty that radiates from within you? Do you jump out of bed with a purpose that truly fulfils you?

Let Nicole show you and your group how to open up your possibilities to reach your full potential. She will share with you the tools and practices that she used on her remarkable journey from a small Montana town to becoming the CEO of her own Chicago based HR consulting company, speaker, author, and futurist.
